

First Hawaiian, Inc. Announces Stock Repurchase Program

March 1, 2019

HONOLULU, March 01, 2019 (GLOBE NEWSWIRE) -- First Hawaiian, Inc. (NASDAQ: FHB) (the "Company"), the parent company of First Hawaiian Bank, announced today that the Company's Board of Directors has adopted a stock repurchase program for up to \$100 million of its outstanding common stock during 2019.

Repurchases of shares of the Company's common stock may be conducted through open market purchases, which may include purchases under a trading plan adopted pursuant to Securities and Exchange Commission Rule 10b5-1, or through privately negotiated transactions. The timing and exact amount of any share repurchases will be subject to various factors, including the Company's capital position and financial performance, as well as market conditions.

The adoption of the Company's share repurchase program follows the approval from the Board of Governors of the Federal Reserve System.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements reflect our current views with respect to, among other things, future events, including those relating to share repurchases by the Company, and our financial performance. These statements are often, but not always, made through the use of words or phrases such as "may", "might", "should", "could", "predict", "potential", "believe", "expect", "continue", "will", "anticipate", "seek", "estimate", "intend", "plan", "projection", "would", "annualized" and "outlook", or the negative version of those words or other comparable words or phrases of a future or forward-looking nature. These forward-looking statements are based on current expectations, estimates and projections about our industry, management's beliefs and certain assumptions made by management, many of which, by their nature, are inherently uncertain and beyond our control. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions, estimates and uncertainties that are difficult to predict. Although we believe that the expectations reflected in these forward-looking statements are reasonable as of the date made, actual results may prove to be materially different from the results expressed or implied by the forward-looking statements. For a discussion of some of the risks and important factors that could affect our future results and financial condition, see our U.S. Securities and Exchange Commission filings, including, but not limited to, our Annual Report on Form 10-K for the year ended December 31, 2018.
