**First Hawaiian Releases Results of 2016 Dodd-Frank Act Stress Test**

HONOLULU, Hawaii, Thursday, October 17, 2016 – First Hawaiian Bank, a subsidiary of First Hawaiian, Inc. (Nasdaq: FHB), today released the results of its 2016 Dodd-Frank Act Stress Test (“DFAST”) in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act and the implementing regulations of the Federal Deposit Insurance Corporation (the “FDIC”).

DFAST is a forward-looking exercise conducted by the FDIC and by banks supervised by the FDIC. The exercise helps assess whether institutions have sufficient capital to absorb losses and support operations during adverse economic and financial market conditions over a period of nine quarters. The projections and scenarios presented in the report are hypothetical and should not be regarded as forecasts of actual financial results or conditions. First Hawaiian Bank’s DFAST results can be found on First Hawaiian’s website at [www.FHB.com](http://www.FHB.com) under Investor Relations.
